My name is Sarah Laverick, and I am nominating for a seat on the council for the Shire of Nannup. I am a small business owner and have owned and lived in my home in Nannup for 5 years. I have two children, aged 12 and 15 and my partner works at the local school. I am a member of the Nannup Running Group. Having school age children, one child with special needs and the other child with a health condition. I rally for an education system here in Nannup and access to medical services. Businesses and farmers need to be supported by local government and the community so they can earn an income, employ people, and contribute to the economy. I would be supportive of areas that would benefit the whole community and welcome new businesses and ideas. I would love to see more opportunities for teenagers and adults to learn new skills locally. Please support my application and I will work hard to support our residents. I take responsibility for the content of this profile.
