While my family & I only moved to Nannup in Dec 2023, we've been part of the community since 2020, when we bought our little slice of heaven just off Barrabup Road to start building a new future.

We chose Nannup as our home as we want our little girl to grow up with space to run. We also love Nannup's unique nature & colourful events.

I believe that for a small town to thrive, it needs 3 things – homes, jobs & experiences. I'm hoping to contribute to all 3, if I can.

I've not been on a local council before, but believe I can make a positive contribution to our beautiful town. My working life has included being a project manager & this has taught me some useful skills that will help as a councillor. Namely, listening to stakeholders, budget & time management, working with a variety of people & generally getting things done.

I'd love to be trusted to contribute to keeping our town healthy & prosperous now & into the future.
