I moved to Nannup in August 2022. Since moving to Nannup, I have worked at the Nannup Medical Centre and at the Nannup CRC. Nannup has been welcoming and the energy in the caring of the community has been exceptional. Having 43 years of retail experience, mostly in management for Department stores, I see that the community would like to get more services in town whilst leaving the small village ambience. If elected I will work hard in preserving what Nannup represents and to hold onto the unique lifestyle that we all get to experience each and every day. I will represent the Nannup people to my best ability. I will work hard in keeping Nannup history strong by also lead us all into a future that will benefit all. I believe that an effective and efficient council can deliver a high standard on the services that its people deserve. It should listen to its people concerns and lead the township into a prosperous future. Whilst being mindful of the spirit of the community.
