

Hi Jane

Attached is the mock designs for our signage request for the development application for Loose Goose Chalets for the Caravan park and Cafe/farm shop proposal.

Sign 3 x 2 The signs on The Cnr of Barrabup road and Mowen road and then Mowen road and Vasse highway will be new and put out during operating hours only. They will be A frame 90cm high x 60cm Wide

The No entry sign will be at gate post for exit point onto Barrabup road from the Caravan park 30cm x 30cm

Signs 1 and 2 are already located on road verge at entry point to 354 Barrabup (function centre) and 370 Barrabup (Office/chalet Entry) they will just have wording updated. Measurements are 75cm wide and 1 metre tall for both of them.

Sign 4 x 2 are also replacing old faded signs along Barrabup road and will be 60cm wide and 40cm high

I have no idea if existing signs that we would like to replace have previously been approved?

The Attachment for sign location has a map and the Advertisement application form.

Please let me know if you need anything else either for signs or in general for the application

Thanks heaps
