AGENDA NUMBER: 10.12

SUBJECT: Compliance Audit Return 2009

LOCATION/ADDRESS:

NAME OF APPLICANT: Shire of Nannup

FILE REFERENCE: ADM 14

AUTHOR: Shane Collie - Chief Executive Officer

DISCLOSURE OF INTEREST:

DATE OF REPORT: 19 January 2010

Attachment:

Completed 2009 Compliance Audit Return.

BACKGROUND:

Council is required to complete a Compliance Audit Return every year. The Compliance Audit Return for the period 1 January 2009 to 31 December 2009 has been completed. The Compliance Audit Return is to be:

- 1. Presented to Council at a meeting of the Council.
- 2. Adopted by the Council.
- 3. The adoption recorded in the minutes of the meeting at which it is adopted.
- 4. Signed by the Shire President and Chief Executive Officer and returned to the Department of Local Government and Regional Development with a copy of the Council minutes of the meeting at which it was received.

COMMENT:

There were no issues of significance raised in the report that require any specific follow up action through Council or the Department of Local Government.

Minor matters that were highlighted during the review (and comment) are as follows:

1. Primary Return lodged by all newly designated employees within three months of their start date.

One employee did not complete and return the Primary Return within three months of their commencement date, however this has now been undertaken.

As it appears that the employee was not provided the document procedures need to be amended to ensure that all new designated employees are provided with a Primary Return in a timely manner (most likely as part of the normal induction process) for completion.

 Ensuring that the officer who is responsible for the day-to-day financial management operations of the Council does not also conduct an internal audit.

Dated: 25 February 2010

For a small local government with limited staff resources it is impractical to separate the above two functions without adding considerable cost to Council's salaries budget.

3. Have all Council's resolutions to make local laws been recorded as such in the minutes of the meeting.

In the minutes of the November 26th 2009 Ordinary Council Meeting when Council resolved to adopt the Shire of Nannup 2010 Standing Orders Local Law, the resolution was carried 6/2, however the words "by Absolute Majority" were not recorded. This was a minor administrative oversight and has no impact on the decision of practical application.

4. Contents of the minutes for all Council or committee meetings include, where the decision was significantly different from written recommendation of a committee or officer, written reasons for varying that decision must be recorded.

While this has been tightened up on, reasons were not included in some committee meeting and Council minutes prior to October 2009. Again the practical application is not an issue and processes are in place to ensure that this compliance issue is addressed when it arises.

STATUTORY ENVIRONMENT: Local Government Act 1995.

POLICY IMPLICATIONS: Nil.

FINANCIAL IMPLICATIONS: Nil.

STRATEGIC IMPLICATIONS: Nil.

RECOMMENDATION:

That Council adopt the Local Government Compliance Audit Report for the Shire of Nannup for the period 1st January 2009 to the 31st December 2009, and submits the report to the Department of Local Government as required.

8331 PINKERTON/CAMARRI

That Council adopt the Local Government Compliance Audit Report for the Shire of Nannup for the period 1st January 2009 to the 31st December 2009, and submits the report to the Department of Local Government as required.

Letter from Department of Environment and Conservation.

BACKGROUND:

The Department of Environment and Conservation (DEC) have written to Council seeking a nomination for a representative on a Project Advisory Group in respect of the next major construction phase for the Munda Biddi Trail.

COMMENT:

It is appropriate that Council have some representation on this group given that the trail currently ends at Nannup and there is funding in place of \$3 million to continue the trail further south from this point. It appears that information in the attached letter is incorrect where it states that the funding is applicable from Manjimup to Albany. (This would be one of the first points of clarification).

The project has significant tourism/recreation implications for Nannup and as such it is important that this local government is represented. Unless there is a Council member that specifically desires to nominate for this position as Chief Executive Officer I am happy to undertake the position. Reasons being:

- There are established relationships between the key stakeholders and myself, particularly through liaison on the section of the trail completed between Jarrahwood and Nannup over the last few years.
- Meetings are quarterly and all administrative support is provided by DEC hence the impost in terms of time/commitment is not great. There is no financial call on Council for this project at all. Council is not the lead agency in the project.
- It is important that the coordination of the proposed cycle path to be constructed south of the Nannup townsite is undertaken in a manner compatible with the Munda Biddi Trail.
- Route issues between Nannup and Manjimup can be managed in a manner that is in the best interests of this community (At this stage understood to be through East Nannup/Gold Gully and Willow Springs).
- A keen interest and knowledge of district trails.

Shane Collie Chief Executive Officer Shire of Nannup PO Box 11 Nannup WA 6275

Dear Shane,

INVITATION TO NOMINATE A REPRESENTATIVE FOR THE MUNDA BIDDI TRAIL PROJECT ADVISORY GROUP

The Munda Biddi Trail is Western Australia's premier off road cycle touring trail. Starting in Mundaring, just to the east of Perth, it currently meanders 500km through forests and bushland to Nannup. The trail is ultimately planned to extend 1,000km through to Albany on the south coast.

In 2009 the Department of Environment and Conservation (DEC), and the Munda Biddi Trail Foundation were successful with funding applications to complete the Trail under the Royalties for Regions - Regional Grants Scheme through the Great Southern and South West Development Commissions.

As the project is moving into full operations, DEC and the Foundation have set up a Project Advisory Group, with the aims of supporting the trails development, assist in communication with major stakeholders, and also assist in problem solving if issues arise.

Currently, the membership of the group includes representatives from DEC (Recreation and Trails Unit and District representatives), the Foundation, Great Southern Development Commission and the South West Development Commission.

At the first meeting of the group in December 2009, it was agreed that it would be greatly beneficial to include a representative from the four local government authorities, being the Shires of Nannup, Manjimup and Denmark, and the City of Albany.,

I would like to take this opportunity to invite you to nominate a representative to sit on the Project Advisory Group. The group meets quarterly, with the next meeting planned for the 18th March, 2010, at the SWDC Offices in Manjimup. I have attached the group's Terms of Reference for your information.

Should you have any further queries, please do not hesitate to contact Project Coordinator Kerstin Stender on 9842 4550 or myself on 9334 0599.

Yours sincerely,

Stuart Harrison

Munda Biddi Trail Project Advisory Group

Terms of Reference

Background

The Munda Biddi Trail (MBT) Project was established out of a community request to build a trail specific for off road cycling, similar to the Bibbulmun Track. The then Department of Conservation and Land Management, now the Department of Environment and Conservation (DEC) commenced planning for the project in 2000, with the northern half of the trail completed and opened in 2009.

DEC's management of the trail is supported by the Munda Biddi Trail Foundation (MBTF), a not for profit community organisation. The partnership between DEC and the Foundation is formalised in a Memorandum of Understanding that recognises DEC as the trail manager, and the Foundation as the community focus responsible for marketing and promotion, volunteer maintenance and running events.

In 2009, DEC and MBTF were successful in a joint funding application to both the South West and Great Southern Development Commissions Royalties for Regions Regional Grants Schemes. This grant allows for the completion of the Trail's construction from Manjimup to Albany by mid 2012, along with implementation of a cycling community development program.

Role of Project Advisory Group

The role of this Project Advisory Group is to support and assist DEC in the completion of the MBT construction and the MBTF in the implementation of the community development program.

Objective

To complete the development of the Munda Biddi Trail and related community development project by mid 2012 and to ensure that it is a successful recreation and tourism product.

Key Tasks

- Monitoring the progress of the project.
- Assist in determining the preferred alignment of the trail where multiple options exist
- Assist in solving any problems or issues that may develop.
- Assisting in communicating the project's progress in the wider community.
- Assist in the development and delivery of the MB Community Development Program.

Membership

The Project Advisory Group membership includes the following representatives -

DEC Representatives

- Parks & Visitor Services Division
- MBT Project Coordinator
- Warren Region PVS Leader
- Donnelly District Representative

Stuart Harrison Kerstin Stender Tim Foley Jeff Kimpton

The Munda Biddi Trail Project is proudly supported by

Meetings

The Project Advisory Group will meet on a quarterly basis. Requirements for additional meetings, including on-site meetings will be determined as required by the Project Advisory Group.

Meeting locations will be rotated between Albany and Manjimup.

If required, decisions will be reached by consensus.

If required, the Project Advisory Group may establish smaller working groups to address specific issues.

Administrative Support

Administrative support will be provided by the DEC Recreation and Trails Unit.

SHIRE OF NANNUP

STATEMENT OF FINANCIAL ACTIVITY FOR THE PERIOD 1 JULY 2009 TO 31 DECEMBER 2009

REPORT ON MATERIAL VARIANCES BETWEEN YEAR TO DATE BUDGET ESTIMATE AND YEAR TO DATE ACTUAL.

All except seven of the variances shown in the above named statement of financial activity are outside of the adopted variance of 10%.

The main reason for the variances is that expenditure and income is not occurring as predicted by Officers during the budget development stage. This is due to a number of reasons, the main one being not accurately projecting cashflows throughout the year, i.e. predicting when the budgeted income or expenditure will occur as opposed to when it actually occurs. Other reasons are not receiving a grant for grant dependant expenditure, projects controlled by Advisory Committees, suppliers/contractors not having the capacity to undertake the works within Council's timeframes, altered Council priorities, etc.

The following provides the major reasons for the programs that have variances outside of the adopted variance:

REVENUE:

Law, Order & Public Safety: Income received from FESA for Brigade operations is understated due to 30th June 2009 accrual for Brigade equipment grants (\$25,000).

Community Amenities: Received more Local Planning Scheme amendments than budgeted (\$13,000) and Tip Fees (\$1,500).

Recreation and Culture: An accrual for a grant for the refurbishment of the Town Hall chairs (\$10,000) has not been received when anticipated. Three grants for outdoor gym equipment (-\$10,400), Royalties for Regions (-\$50,000) and bicycle racks (-\$7,710) were not budgeted for. Income relating to the Co-location Building (Grants, Reserve & Loan Funds totalling \$2,131,000) will not be received as the project has been discontinued.

Transport: Income from various Main Roads WA grants not received as predicted in budgeting process (-\$3,635,500). Income from Sale of Assets not received as budgeted (-\$87,500). Income from loan for plant not received as budgeted (-\$87,498)

Economic Services: Received more fees for building licenses and sale of material than predicted in budgeting process (\$8,500).

Other Property and Services: Received more Private Works income than budgeted for (\$17,000).

EXPENDITURE

Governance: Councillor Allowances (-\$17,500), Subscriptions (\$6,200), Donations (\$6,000) and Conference Expenses (-\$4,500) not expended as predicted in budgeting process.

Law, Order and Public Safety: Assistance to brigades (\$36,000), SES donation (\$9,000), Insurance for various Bush Fire Brigade related categories (10,000), Emergency response (-\$7,500), Depreciation (-\$10,000) and brigade expenditure (\$5,000) more than predicted in budgeting process. Insurance of \$10,000 not budgeted correctly.

Housing: Depreciation expense not charged as predicted through the budget process (-\$4,100).

Community Amenities: Expenditure not occurring as predicted in budgeting process in the areas of Contractors Collection Fees (-\$5,000), Parking Strategy (-\$8,000), Town Planning Scheme (\$5,000), Town Planning Services (-\$57,700), Administration Expenses (-\$12,000), Annual Leave Expenses (-\$4,200), Rubbish Site Maintenance (-\$13,200), community infrastructure plan (-\$6,000), Local Planning Scheme amendments (-\$10,500), cemetery operations (-\$9,700) and Community Infrastructure Plan (-\$7,400).

Recreation and Culture: Public Halls (-\$15,800), Recreation Centre Expenses (-\$34,500), Public Parks, Gardens & Reserves Maintenance (10,700), Streetscape (-\$4,300), Garden Village Theme (-3,500), Library Salaries (\$3,800), Foreshore Park (\$15,300) and Bicycle Racks (-\$23,600) expenses not occurring as anticipated.

Transport: Expenditure not occurring as predicted in budgeting process in the areas of Bridge Maintenance (-\$5,700), Depot Maintenance (-\$3,500), Local Road Maintenance (\$100,000) and Gravel Pit rehabilitation (-\$10,000).

Economic Services: Expenditure not occurring as predicted in budgeting process in the areas of Functions and Events (-\$9,400), Caravan Parks (\$6,500), Warren Blackwood Economic Alliance (\$3,900) and salaries (-\$16,000).

Other Property and services: Recovery of expenses via Public Works Overheads and Plant Operating Costs not occurring as budgeted.

OTHER ITEMS

Purchase Land and Buildings: Expenditure not occurring as predicted in budgeting process in the areas of Co location Building (-\$2,070,000), Foreshore

Park and Balingup Rd Caravan Park Ablution Blocks (\$125,000), Bush Fire Brigade and Depot Construction (\$6,300).

Purchase Infrastructure Assets Roads: Expenditure not occurring as predicted in budgeting process in the areas of Council Road Program (\$106,500), Mowen Road (-\$52,700), MRWA bridge program (-\$89,200), Balingup Rd Blackspot (-\$80,000) Jalbarragup Bridge (-\$2,799,600) and TIRES projects (\$-51,400).

Purchase Plant and Equipment: Purchase not undertaken as budgeted (-\$220,000).

Proceeds from Disposal of Assets: Sale of plant not occurring as budgeted (-\$40,000).

AGENDA NUMBER: 10.15 SUBJECT: Budget Review LOCATION/ADDRESS: Nannup

NAME OF APPLICANT: FILE REFERENCE: FNC 3

AUTHOR: Craige Waddell - Manager Corporate Services

DISCLOSURE OF INTEREST:

DATE OF REPORT: 15 January 2010

Attachment: Analysis of Budgeted and Actual Income and Expenditure for the Period Ending 31 December 2009.

BACKGROUND:

Council is required under Local Government (Financial Management) Regulation 33A to conduct a budget review between 1 January and 31 March each financial year. Council is also required to submit the outcome of the review to the Department of Local Government and Regional Development within 30 days of the acceptance of the review.

COMMENT:

The attached report details Council's 2009/10 budget, the actual expenditure or income to 31 December 2009, and the anticipated expenditure or income to 30 June 2010 for each item of expenditure and income. It should be noted that in the attached report a negative figure in the "difference" column is good from an overall budget point of view. Council budgeted in its 2009/10 budget for a balanced cash position. The net result of the review shows an anticipated deficit of \$8,049.

The following details those significant variations from the review that Council may wish to take into consideration in terms of identifying any proposed action to be taken to trim the budget or commit further funds. Some variations in both income and expenditure that nullify each other, such as the predicted income and expenditure associated with Recoverable expenses (COA 0422) and Expenses recovered (COA 0573) have not been included in the following as they do not impact the bottom line.

1. The carried forward position from the previous financial year when calculated from the audited financial statements reveals a surplus position of \$1,726,479. This includes grants received in the prior period and reported as such to the value of \$1,742,462 and expenditure budgeted last year (2008/09) and not expended, but carried forward into this year to the value of \$72,539. Allowing for these reveals a carried forward position from operations of a deficit of \$88,522. This compares to the carried forward

figure contained within the budget of a deficit of \$228,644 which is beneficial from a budget review process to the extent of \$140,122.

- 2. Grants have been received from the Fire and Emergency Services Authority for plant, buildings, Emergency Services Levy funding for both Bush Fire Brigades and State Emergency Services and additional Community Safety Manager funding. This has all been allowed for as additional expenditure through the budget review process and therefore there is no impact on the bottom line of the budget.
- 3. The budgeted expenditure on town planning services will be under spent by \$20,000 and town planning administration expenses by \$10,000 as the municipal inventory will not been undertaken in the current financial year.
- 4. Community Infrastructure Plan expenditure of \$14,900 will not be spent this financial year (Assume adoption of recommendation item 10.4).
- 5. Expenditure on the Timewood Centre will be under budget by \$1,965,604 due to the project being terminated by Council in December 2009. Grant income budgeted of \$1,367,000 for the Timewood Centre will not be received, however the balance of the Royalties for Regions funds which was allocated to this project of \$378,546 (being \$440,000 less \$61,454 allocated to the construction of the cycle path) will need to be reallocated by Council and expended appropriately. The determination of the area of expenditure will be the subject of another agenda item. The budgeted transfer from reserve of \$366,000 for the Timewood Centre will not occur, however the current year's anticipated expenditure of \$165,396 will be transferred leaving a balance of \$200,604 within the reserve which Council will need to re assign. Budgeted loan borrowings of \$398,000 for the Timewood Centre will not be drawn down. The bottom line of this is that there is no effect on the budget, other than the reallocation the Royalties for Regions grant and the reassigning of the balance of the reserve account.
- The Foreshore Park and Balingup Road ablution blocks will be overspent by \$75,000 predominantly due to the sewage requirements for the Balingup Road site.
- 7. Purchase of Plant will exceed the budget provision by \$48,060.
- 8. The Road Construction Supervision fee budgeted amount of \$15,000 will not be received due to Mowen Road works not proceeding this financial year.
- 9. The budgeted plant loan of \$51,209 for the sake of this review is not being drawn upon because of the interim budget position showing no requirement to draw upon it at this stage.

- 10. Building salaries will be under budget by \$25,470.
- 11. As per previous agenda item concerning Royalties for Regions funding for the current year of \$393,491 being delayed, and utilising the balance of the Royalties for Regions funding originally targeted for the Timewood Centre to compensate for this, a shortfall of \$15,000 in the budget is realised.

A summary of these variations follow:

Carried forward position (Surplus)	-\$140,122
Town Planning services	-\$30,000
Community Infrastructure Plan	-\$14,900
Ablution Blocks	\$75,000
Plant Purchases	\$48,060
Road Construction Supervision Fee	\$15,000
Plant Loan	\$51,209
Building Salaries	-\$25,470
Royalties for Regions funding	\$15,000
Various	\$22,685
Total deficit	\$8,049

The "Various" as stated above is made up of a myriad of minor line by line variations, any of which can be detailed to Councillors if required.

The 2009/10 plant loan provision of \$51,209 was used to "balance" the budget. This loan, or a part of it, may be required to be drawn upon depending upon the predicted end of year cash position. A further review and determination as to the requirement for this loan will be presented to Council closer to the end of the financial year.

It is recommended that Council take no action in relation to its current budgetary situation as there is still five months of operation left where further variations may be brought to light. If further action is required, it can be undertaken at a future budget review.

STATUTORY ENVIRONMENT:

Local Government (Financial Management) 1996 Regulations 33A.

POLICY IMPLICATIONS: Nil.

FINANCIAL IMPLICATIONS:

If the year-end position is as predicted, Council's 2010/11 budget will have a small deficit carry forward position incorporated into it.

STRATEGIC IMPLICATIONS: Nil.

RECOMMENDATION:

Council not make any changes to its budgetary position at this stage as there is still five months of operations left within the financial year.

8334 LORKIEWICZ/MELLEMA

Council not make any changes to its budgetary position at this stage as there is still five months of operations left within the financial year.

AGENDA NUMBER: 10.16

SUBJECT: Contribution from Nannup Netball Association

LOCATION/ADDRESS: Nannup

NAME OF APPLICANT: Nannup Netball Association

FILE REFERENCE: REC5

AUTHOR: Craige Waddell - Manager Corporate Services

DISCLOSURE OF INTEREST:

DATE OF REPORT: 18 January 2010

BACKGROUND:

The Nannup Netball Association writes informing Council that the association no longer operates. It had a balance of funds totalling \$1,316.80 which it has given to Council for "future upgrades to the Nannup Community Centre".

COMMENT:

This contribution from the Nannup Netball Association to Council is a valid use of the former association's surplus funds at the time of winding up.

The use of the funds should be as desired by the association, or by agreement with the association.

Council currently has a reserve fund in place for the redevelopment of the Recreation Centre. It is budgeted to have \$168,972 in this reserve fund as at 30 June 2010. The purpose of this reserve is to accommodate future upgrades to the Recreation Centre / Community centre building complex as has been the subject of discussion by Council recently.

The placement of the surplus funds from the Nannup Netball Association into the Recreation Centre Reserve would satisfy their desire for the disposal of the funds.

STATUTORY ENVIRONMENT: Nil.

POLICY IMPLICATIONS: Nil.

FINANCIAL IMPLICATIONS:

Additional \$1,316.80 to be transferred to the Recreation Centre Reserve.

STRATEGIC IMPLICATIONS: Nil.

RECOMMENDATION:

That Council accept the contribution from the Nannup Netball Association of \$1,316.80 transferring the funds into Council's Recreation Centre Reserve.

Cr Camarri returned to the meeting at 6.10 pm.

LOCATION/ADDRESS: NAME OF APPLICANT: FILE REFERENCE: FNC 6T

AUTHOR: Louise Stokes - Community Development Officer

DISCLOSURE OF INTEREST:

DATE OF REPORT: 20 January 2010

Attachment: Letter from Department of Transport

BACKGROUND:

On the 27th August Council meeting, Council accepted the following funding from the Department of Transport.

"That Council accepts the grant of \$15,000 through the Regional Bicycle Network Local Government Grant Funding 2009/10 funding round for the purpose of constructing creative bike racks to be installed within the Nannup townsite."

Advice has been received from the Department of Transport that due to unallocated funding there is an opportunity to offer Council additional funds that were applied for within this application including: \$1,500 for the installation of two water fountains to be located next to the Foreshore Park Ablution Block and in the Brockman Street Playground and \$6,750 towards the construction of the ablution block showers.

COMMENT:

This funding offer requires that a 50% contribution must be made to complete the project. This is achievable and it has been confirmed that all works can be completed by the 30th June 2010.

The Department of Transport has been advised that the majority of works have been completed on the Foreshore Park ablution block. As the original grant agreement was accepted in August 2009 any invoices used in the acquittal must be after this date.

STATUTORY ENVIRONMENT: Nil.

POLICY IMPLICATIONS: Nil.

FINANCIAL IMPLICATIONS: As note in the body of this report.

STRATEGIC IMPLICATIONS:

Forward Plan 2008/09 Program 13 Economic Services and Tourism 13.B states:

"Implement approved capital works items for caravan parks"

Forward Plan 2008/09 2012/13 Program 11 Recreation and Culture 11.3(B).A "Complete entrance statement to Foreshore Park"

RECOMMENDATION:

That Council accepts the funding offer of \$8,250 from the Department of Transport being \$1,500 for the installation of two water fountains and \$6,750 towards the construction of outdoor showers at the Foreshore Park ablution block.

Dear Mr Collie

2009 – 2010 REGIONAL BICYCLE NETWORK LOCAL GOVERNMENT GRANTS FUNDING

I am writing to inform you that some of the recent offers in the 2009-2010 Regional Bicycle Network Local Government Grants program were declined. This has resulted in further funding being made available. Consequently a third round of grant assessments and recommendations were completed.

The Shire of Nannup has been awarded grant funding for:

- Two water fountains at Foreshore Park, Brockman Street Playground, Nannup - \$1,500
- Two ablution showers at Foreshore Pak, Brockman Street, Nannup \$6,750

To accept this grant please sign and return the attached Grant Agreement Form to us by Monday, 25 January 2010 addressed to:

Mr Russell Greig A/Manager Bikewest Department of Transport GPO C102 Perth WA 6839

Should you have any queries regarding your grant please contact Auriole D'Souza on 9216 8540.

Each local authority is required to seek approval from the Department of Transport for all press releases and public announcements relating to the award and the use of the grant.

Yours sincérely

Thanks Auriole,

As I mentioned on the phone because the grant offer is over \$5000 it has to be accepted by Council at their next meeting which will be held on Thursday 28th January 2010 so I can get back to you by Friday 29th January if that is OK.

On the grant offer it stipulates that we must advise by the 25th January. We will not be able to make this deadline as the offer must be presented to Council. regards

AGENDA NUMBER: 10.18

SUBJECT: Nannup Bike Rack Project

LOCATION/ADDRESS: NAME OF APPLICANT: FILE REFERENCE: FNC 6T

AUTHOR: Louise Stokes - Community Development Officer

DISCLOSURE OF INTEREST:

DATE OF REPORT: 20 January 2010

Attachment:

Bike rack design, Russell Fuller-Hill

BACKGROUND:

To date Council has accepted funding of \$28,890 towards the construction of four creative bike racks to be located within the streetscape of Nannup. Three bike racks are now under construction and funding applications to source the balance of funds required for the 4th bike rack have been lodged, however have not been successful.

This request is for Council to approve unbudgeted funding to cover the shortfall of the artist fees of \$5,128 for the 4th bike rack by artist Russell Fuller-Hill so that the project can be completed.

The idea of creative bike racks installed within the townsite was initiated by Mr Charley Cannon and assists to promote Nannup as a cycle friendly town. The installation of bike racks throughout the townsite assists to encourage visitors and residents to become more active and cycle instead of driving cars. A positive partnership is being developed with the Munda Biddi Foundation and the installation of functional creative bike racks is a promotional tool for Nannup.

This project is also complementary to the Council resolution (Agenda Item 10.8 May 2009),

"that Council accept the designs for public artwork bike racks:

- Spider (Attachment A) by artist Irene Osborne
- Leaves (Attachment B) by artist Irene Osborne
- Park bench (Attachment D) by artist Russell Fuller-Hill

for construction once full funding has been sought and approved by Council."

COMMENT:

Council has accepted the design of the bike rack by Russell Fuller-Hill. The bike rack design includes more timber and wrought iron work than depicted. This

Signed:

shortfall also includes an allocation of \$2,000 for installation of the bike racks and \$1,000 for contingencies in transport.

STATUTORY ENVIRONMENT: Nil.

POLICY IMPLICATIONS: Nil.

FINANCIAL IMPLICATIONS: Unbudgeted expenditure \$5,128.

STRATEGIC IMPLICATIONS:

Forward Plan 2008/09 2012/13 Program 11 Recreation & Culture 11.A states:

"Develop concept plans for artistic bike racks as tourist features and pursue funding for implementation."

This project was also well supported at the 2009 Community Planning Day.

RECOMMENDATION:

That Council incur unbudgeted expenditure of \$5,128 towards Artist Fees for the Russell Fuller-Hill bike rack to complete this project.

Absolute Majority Vote required (5) for unbudgeted expenditure.

8337 PINKERTON/MELLEMA

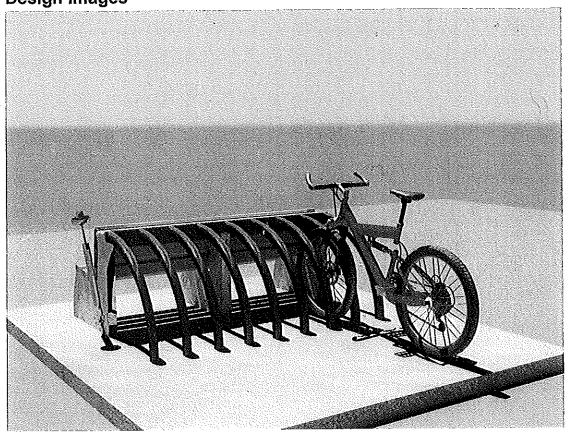

That Council incur unbudgeted expenditure of \$5,128 towards Artist Fees for the Russell Fuller-Hill bike rack to complete this project inclusive of the \$2,000 for the installation of the bike racks and \$1,000 for contingencies in transport.

11.NEW BUSINESS OF AN URGENT NATURE INTRODUCED BY DECISION OF MEETING

8340 DEAN/BOULTER

That new business of an urgent nature be introduced to the meeting:

11.(a).1 Proposal for Child Care Centre

CARRIED 8/0

(a) OFFICERS

AGENDA NUMBER: 11.(a).1

SUBJECT: Proposal for Child Care Centre LOCATION/ADDRESS: Lot 248 Grange Road

NAME OF APPLICANT: Nannup Occasional Child Care

FILE REFERENCE: WLF 6

AUTHOR: Shane Collie - Chief Executive Officer

DISCLOSURE OF INTEREST:

DATE OF REPORT: 12 January 2010

Attachment:

Business Plan - NOCCA/YMCA.

BACKGROUND:

Council resolved on 23 April 2009 as follows:

"That Council provide in principal support to Nannup Occasional Child Care that upon the expiration of the GEHA contract on 15th September 2010 that Lot 248 Grange Road be the preferred future location for Nannup Occasional Care for the purpose of providing occasional/day child care service in Nannup."

Subsequent to this decision the Nannup Occasional Child Care Association (NOCCA) have been liaising with the YMCA, a not for profit organisation to manage the facility in view of putting a formal proposal to Council. Such a proposal would also include the required upgrade works to the premises to ensure it meets the licensing requirements for a child care facility.

The purpose of the involvement of the YMCA is to provide the support and expertise that the current small volunteer committee are unable to provide.

The YMCA currently operates Early Learning Centres in Albany, Boyup Brook, Bridgetown, Bunbury and Manjimup. A business plan has been developed and is attached. Voluntary YMCA directors work in partnership with local staff to provide services to those communities.

The Nannup Early Learning Centre will be able to provide families the ability to access the Commonwealth Government fee reduction system and the centre will also meet the requirements for the sustainability allowance from the Department

Dated: 25 February 2010

of Employment, Education and Workplace Relations which will supplement the centre's income.

The Nannup Early Learning Centre will be able to offer 19 child care places to families with children aged 1-5 years, with the prospect of an after school and vacation care program for children aged 5-12 years after 12 months. All profits from the Nannup Early Learning Centre will be returned to support the facility and community.

The Grange Road site will have a number of rooms available to accommodate an Integrated Service Delivery Model providing a holistic service to Nannup, one which can incorporate parent support programs and youth services.

This business plan is dependent upon the Shire of Nannup committing to the provision of the Grange Road building and renovation. Council has allocated funds over a number of years for the purpose of assisting with the development of an early childhood services building within the community which is more suitable than the present RSL premises currently being used.

This project has arisen over several years of community consultation, surveys and the Jill Powell Family and Children's Needs report. Within the Jill Powell report there is an option for child care provision within the Recreation Centre precinct however legislative and licensing requirements preclude this option.

COMMENT:

While the principle of converting the Grange Road duplex to a child care centre has previously been supported by Council, there remained a number of fundamental points that needed clarifying before proceeding. An information report was done in December 2009 alluding to these points which culminated with an informal meeting between NOCCA representatives and Council on Monday 25 January 2010.

It appeared to be the case that NOCCA/YMCA were unable to fully commit to the development of a proposal including the development of upgrade plans until there was surety from Council that it would support the development. Similarly Council is in a position where it wishes to sight the development plan and full proposal before making that commitment. Hence with some good will on either side this proposal can proceed which was the purpose of the recent meeting and the purpose of this agenda item.

The points discussed and confirmed as a result of the meeting held on Monday 25 January 2010 are as follows:

Maintenance/Operating Costs

Datad	25	February	20	10

These are the responsibility of the lessee as per any normal owner/tenant situation and have been agreed to by NOCCA/YMCA. The full ongoing running costs of the centre will be the responsibility of the YMCA and income will be derived from child care fees with a small amount of Commonwealth Government funding.

It was confirmed that YMCA/NOCCA meet any shortfall in income over expenditure if demand/attendance does not cover operating costs. Council has no financial exposure in this regard.

Reduction in Affordable Housing

One could argue that this proposal reduces the capacity of Council to provide affordable housing within the Shire of Nannup. Affordable housing is not core Council business and the land/buildings remain an asset of Council. The Grange Road building could be further developed or redeveloped at a later stage should a child care centre be constructed at another location or a commercial operator take over the provision of child care within the Shire of Nannup.

Finance (Rental Income Forgone)

The YMCA business plan indicates that peppercorn rental is charged to ensure viability of a child care service in Nannup. Currently the two Grange Road duplexes are rented at an average of \$130 per week each. With Council's user pays policy it is recommended that Council incorporates a lease fee of \$130 per week. This is within the budget that NOCCA currently pays to the RSL Club for day care at the RSL Hall and it is understood has been accepted by NOCCA/YMCA.

Council would effectively be forgoing \$130 per week (\$6,760 per annum) in rental income which would be seen as a contribution/subsidisation to procure a high standard childcare service for the district. Given the importance that is placed on the availability of a high standard childcare facility in terms of demographics, social and economic benefit, it is considered reasonable for Council to make this commitment. It is important in the context of Council's adoption of the Strategic and Organisational Review report in August 2009 that Council is aware and consciously acknowledges this commitment by virtue of a policy position as opposed to acknowledgement without knowing.

Current and Future Demand for Childcare Services

NOCCA representatives stated that placement numbers have increased from an initial one day per week (approximately 5 years ago) to 2 days to the current 3 days per week. The demand is sufficient that the service is looking at a 5 day per week service when reopening in February. There are presently 30 children on the enrolment list and the maximum licensed capacity is for 19.

Dated: 25 February 2010

These numbers are historical and represent a trend on which decisions can be made. It is considered these statistics are sufficient evidence of demand for the service even to the point where capacity may be exceeded by present numbers.

Capital Cost for Upgrade Works

Council has set aside reserve funds of approximately \$250,000 to meet the capital cost of improving childcare services in the district.

Status of Lot 248 Grange Road

It has been confirmed through the State Government Housing Authority that the premises (land and buildings) are considered as fully Council owned upon the expiration of the loan agreement in place in September 2010. The use of the premises for community purposes one would expect would be supported by the State Government in any event.

Use of Freehold Land

The use of freehold land for the purposes of the provision of childcare services is the preferred option for this matter. The use of either donated church land or Council reserve land is from a financial perspective a more attractive proposition as there is limited or no cost associated with acquiring the land for the designated purpose.

Given the time constraints on locating, developing and constructing (estimation 3 years), the preference is for the development of the Grange Road site. NOCCA/YMCA have indicated that the required alterations to the Grange Road site are not significant and could be undertaken in a much shorter time than developing from scratch.

Using the Grange Road site restricts Council's ability to buy/sell or retain Grange Road for affordable housing. The premises could be returned to this or another purpose if in the future a separate site is developed as childcare premises.

Lease

A suitable operating lease will need to be drawn up between Council and NOCCA/YMCA if the Grange Road site is developed as childcare premises.

RSL Hall

The current status of the RSL Hall has not been investigated where NOCCA presently operate from. The future status of these premises may be the subject of discussions at a later point in time. Council has no involvement with the operating or activities undertaken at the RSL Hall.

Dated: 25 February 2010

STATUTORY ENVIRONMENT: Nil.

POLICY IMPLICATIONS: Nil.

FINANCIAL IMPLICATIONS:

Costs for the upgrade of the premises will be dependent upon the licensing requirements and quotation details obtained by NOCCA/YMCA. Council would have a maximum contribution limited by the reserve funds it has set aside for this purpose.

STRATEGIC IMPLICATIONS:

Council's draft Forward Plan 2010/11 contains in year 2011/12 an estimate of \$300,000 to undertake a capital upgrade of childcare premises. Given this recent information this is likely to be altered to a lesser amount, attributed directly to the Grange Road site, and brought forward to 2010/11.

RECOMMENDATIONS:

That Council:

- 1. Approve of the development of Lot 248 Grange Road duplex as a YMCA Early Learning Centre through NOCCA subject to normal Planning Approval and building license processes.
- 2. That Council utilise funds from the reserve account set aside for this purpose to undertake the capital upgrade required to convert Lot 248 Grange Road to childcare premises.
- 3. That YMCA/NOCCA be responsible for the development of the building plans for the conversion of Lot 248 Grange Road to childcare premises.
- 4. That Council develops a lease agreement with YMCA Early Learning Centre at a rental payment of \$130 per week for a five year term, indexed annually (lease agreement to be submitted for Council approval once drafted).

EXECUTIVE SUMMARY ď

1.1. Business Overview

The Nannup Occasional Childcare Association (NOCCA) is currently licensed for 19 children and operates Wednesday - Friday.

With the increasing demand for child care NOCCA would like to develop an Early Learning Centre operating Monday- Friday in Nannup.

The benefit of developing an Early Learning Centre in the town means parents can access Child Care Benefit (fee reduction) and employment remains in the town.

Developing the Nannup Early Learning Centre with the YMCA will provide the support and expertise that the current committee are unable to provide due to other commitments.

The development of the Nannup Early Learning Centre will ensure that in two years the town of Nannup will have a well established viable service to offer to families in the community this will be achieved by the strong support network and resources available through the YMCA.

Our Vision

Our vision is to enrich the Western Australian community. The commitment, passion and innovation of our people and our partners will enable the YMCA to provide programs and services that build strong, sustainable and engaged communities

Our Mission

The YMCA works form a base of Christian values, to provide opportunities for people to grow in body, mind and spirit.

Our Values

- Honesty: Integrity, trustworthiness and fairness,
- Respect: Acceptance, empathy, self respect and tolerance,
- · Responsibility: Commitment, courage and service,
- Caring: Compassion, forgiveness and generosity.

The YMCA is Australia's largest Youth and Recreation Organisation, providing services in Australia since 1850. The YMCA in Australia is a not for profit organisation controlled by Voluntary Directors who work in partnership with local staff to provide services to their local community.

YMCA Early Learning Centres operate as not for profit community based centres. These centres operate in

Community based Early Learning Centres are an essential part of any community. It is the aim of the YMCA to deliver a meaningful service to families while continually developing our reputation as a viable quality child care choice.

Each individual centre reflects the needs of their community. The Director of each centre is given the tools and support to manage the operations of the centre in accordance with legislative requirements and YMCA Family and Children's Services Philosophy Policies and Procedures.

The YMCA Perth has developed a curriculum which focuses on the 'Holistic Approach to Early Childhood Development'. All YMCA Children's Services staff have a belief that all children are unique and develop and learn in their own way and that the programs offered should build on a child's needs, strengths and interests by allowing children choices.

Our philosophy works from a premise that all children are competent, capable and curious. All YMCA Children's Service Programs have a strong focus on parent education, training and support.

1.2. Service Features

Briefly the Nannup Early Learning Centre will be able to provide families the ability to access the Commonwealth Government fee reduction system. This is commonly referred to as Child Care Benefit (CCB).

The centre will also meet the requirements for sustainability allowance from the Department of Employment Education and Workplace Relations (DEEWR). This allowance will supplement the centres income.

1.3. Market Analysis

The target market is families requiring support and assistance with child care for work or respite reasons. Currently there is no child care service available in the town where families can access reduced fees. This is a disadvantage to all families currently in the community. Current child care facilities offering fee reduction are located in surrounding towns such as Bridgetown, Margaret River and Busselton.

It is expected that families will choose to use the Nannup Early Learning Centre rather than travel the 45 minutes to alternative choices.

1.4. Marketing Strategy

YMCA has a marketing strategy that is used across all centres. This strategy allows for individual centres to target areas of need.

It is expected that consultation will occur with other professionals in town i.e child health nurse, schools, playgroups and local business to establish a partnership and awareness of the centre within the town.

This may also include however not limited to brochures, information packs and open days.

1.5. Key Objectives and Financial Overview

It is expected that the centre will be able to operate at 53% for the first 12 months. This will mean the centre will make a small profit. The expectation of the centre is to break even while being able to put resources back into the centre.

The very basic equipment set up costs will be able to be covered by NOCCA and YMCA by applying for grants through lotterywest.

The centre cannot support the renovation costs at the Grange Road premises and seeks support from the Nannup Shire Council.

2. Detailed Plan

2.1. Market Analysis

The Shire of Nannup covers an area of 2,953 square km including Nannup, Donnelly River, Bidelia, Carlotta, Cundinup, Scott River, Lake Jasper, Darradup and Barrabup.

In general the population of 1210 with 18% aged 0-14 years is spread throughout the Shire district with about half of the population residing in the Nannup town site.

The Shire of Nannup is bounded by the Shires of Augusta-Margaret River to the west, Manjimup to the south-east, Bridgetown-Greenbushes to the north-east, Donnybrook-Balingup to the north and Busselton to the north-west.

Parents and Guardians of children within the Shire will be the main users of this service. Competitively no other child care service in the shire can offer Child Care Benefit (fee reduction) When considering the fees the latest Australian Bureau of Statistics information is considered.

YMCA has the ability to deliver a proven successful service type to Nannup ensuring best practice.

Information has been obtained from existing YMCA Early Learning Centres, Jill Powell family needs analysis and NOCCA staff and management committee.

2.2. Competition

Currently there are no competitors that can provide Child Care Benefit (CCB) with in the town. Competitors are other child care services offered in other towns such as Family Day Care In-home Child Care and child care centres.

The YMCA will market the centre with access to Child Care Benefit (CCB) locally.

2.3. Service

The Nannup Early Learning Centre initially will be able to offer 19 child care places to families with children aged 0-5 years with the prospect of an after school and vacation care program for children aged 5-12 years after 12months.

2.4. Marketing Strategy

Child care predominately is sold by word of mouth from the excellent child care provided to families. This requires training of staff in customer service and program development.

Resources currently available to other YMCA Early Learning Centres will be provided to the Nannup Early Learning Centre. The Director will be provided with the basic YMCA marketing training all Directors of the YMCA Early Learning Centres receive.

Prior to the centre opening an invitation will be given to all families currently using NOCCA and other interested community users to view the centre talk with the Director and complete the enrolment and orientation process.

2.5. Service Production

Fees are based on the Australian Bureau of Statistics information available and are set to suit each individual town.

Fees generated from child care places sold will pay for wages, and associated program costs.

2.6. SWOT Analysis:

Strengths	 Offer CCB (fee reduction) to families – ensures affordability Offer a quality child care service to the town enhancing the ability for families to gain employment – families may choose employment within the town Relief staff – ability to access staff from other YMCA centres Access to resources throughout YMCA – these resources include the registered training organisation, equipment, job opportunities Retention of staff Ability to provide other services – these include services such as Outside School Hours, family support programs. Access to up to date systems for processing Strong support networks - other centre staff and support staff Provide employment within the town –equivalent to 3.5fulltime employees
Weaknesses	 Costs incurred if no shire support with Renovation of Grange Rd –seek alternatives and ensure options are viable.
Opportunities	 Other services offered to families such as Outside Schools Hours Programs –conduct needs analysis once centre is operating Family support services –conduct needs analysis once centre is operating Professional development and networking with other services for staff employed –developed from staff reviews
Threats	 Families not utilising the service – combat this threat by implementing the marketing strategy.

2.7. Business Structure

YMCA Perth touches the lives of many in pursuit of its vision to enrich Western Australian communities. That vision focuses on community building through a broad range of services and programs.

First and Foremost, the Perth YMCA is a Not for Profit Association with Income Exempt Charity status and is also endorsed as a Deductible Gift Recipient. Today's YMCA offers the West Australian community a wide portfolio of activities, programs and services, having the largest and most diverse population reach of any not for profit community organization in Australia.

The range of services offered at the YMCA Perth include:

Youth Services

YMCA Youth Services provide opportunities for all young people to grow, whatever their circumstances, through involvement in carefully and intentionally planned programs and services which build on their strengths and talents. This is done through programs such as Mobile Youth Services, Big brother Big sister programs, Youth Pathways, a YMCA managed skate park, Lynks Counselling services and a range of other Youth focused programs.

Recreation

YMCA Perth helps build communities through providing health and wellbeing services which enable people to live physically and mentally healthier lives. YMCA does this through a range of recreation programs and through the management of 9 recreation facilities on behalf of local government.

Training

The YMCA Perth is a Registered Training Organisation which enables all YMCA staff to access further training and professional development. Enhancing the skills of people in specific professional and industry sectors helps build strong Western Australian Communities. YMCA Perth focuses on building skills in professionals caring for children and in supporting a healthy physical lifestyle. YMCA does this through offering the following recognised qualifications and programs:

- Cert. III in Children's Services
- Cert. IV in Out of School Hours Care
- Diploma of Children's Services
- Cert. III in Fitness
- Cert. IV in Fitness
- Aqua Fitness Instruction
- Senior First Aid
- CPR
- WAFIC (Wellness and Fitness Industry Conference)
- First Click (Introductory Computer Training)
- Cert. IV in Training & Assessment
- Children's Services Professional Development

Accommodation

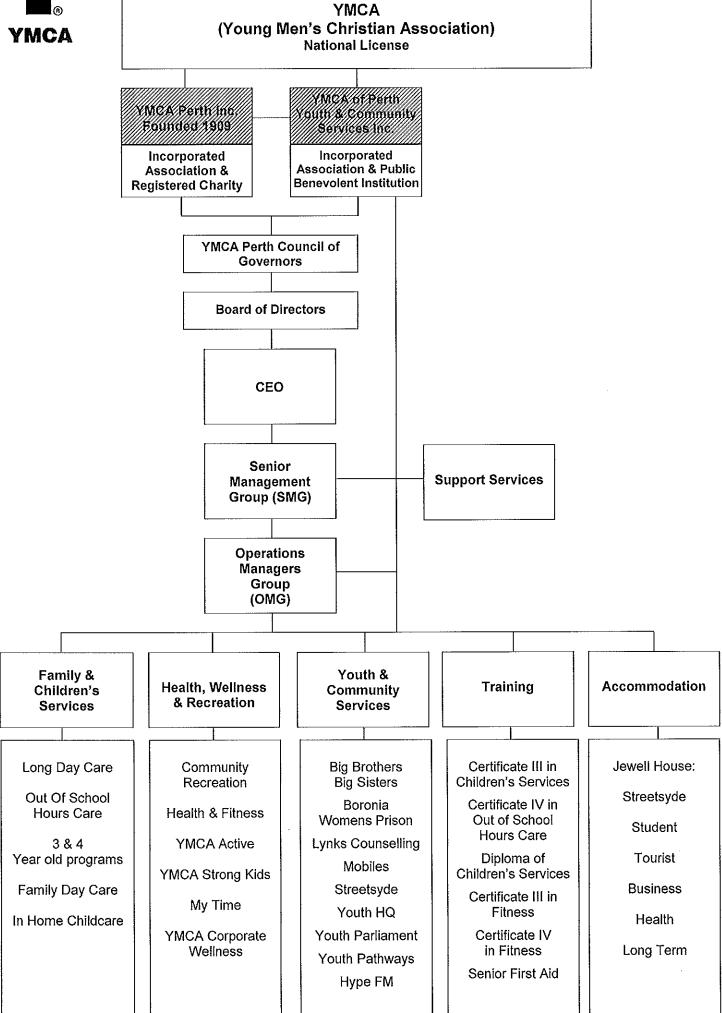

Jewell House provides accommodation to a broad range of guests who are seeking budget priced accommodation options. With more than 200 rooms on 11 floors, Jewell House is one of Perth's largest hostels, and provides a range of secure, affordably priced accommodation options.

• Family and Children's Services

The YMCA Perth currently operates 8 Early Learning Centres as well as 26 Outside School Hours Care services, a parent support program in the Albany region, a Family Day Care and In-home Child Care Service.

YMCA

YMCA ORGANISATIONAL STRUCTURE

2.8. Management

The Nannup Early Learning Centre will be managed by the Family and Children's Services Department within the YMCA. The Department is managed by the Family and Children's Services Manager and Operations Manager with a qualified team of support staff. The Nannup Early Learning Centre will be a community based service with all profits returning to support the community.

All staff will be paid under the Child Care (Long Day Care) – WA Award 2005. Staff will be interviewed and provided with new employment contracts with the YMCA. All staff employed with the YMCA require a current Working With Children Check, National Police Clearance not less than 6 months old at the time of employment and a current senior first aid certificate if outlined in the position description from all staff.

2.9. Key Objectives

The centre will enhance the services already in the region by expanding on the best practice model being used by the YMCA

The centre will enable child care to be affordable in the community with the ability of the service to apply child care benefit currently not available with NOCCA

The provision of childcare in the community will allow many in the community to return to the local workforce and provide employment opportunities in the town.

The Grange Rd site will have a number of rooms available to accommodate an Integrated Service Delivery Model providing an holistic service to Nannup, one which can incorporated parent support programs and youth services.

2.10. Financial Information

2.10.1. Establishment Costs

The YMCA Perth has extensive experience in designing and building Early learning centres with recent services being built in partnership with BHP Biliton in the Pilbara Region. The YMCA has developed these Early Learning Centres for BHP and has spent the last 12 months in consultation with BHP Billiton and the local Community in the development of these centres. The BHP funded services were designed using best practice models and the construction of these sites were Project Managed by a team of YMCA staff. The YMCA Perth is able to use this knowledge to assist in the development and design of the Grange Rd building.

It is vital to the development of the centre that the Shire of Nannup commit to the provision of the Grange Road building and renovation. YMCA along with NOCCA will provide support to the Shire for licensing and Quality Assurance requirements.

The commitment from the Shire of Nannup to the development of Grange Rd and to charge peppercorn rent ensures viability of a child care service in the town.

2.10.2. First Years Projected Profit and Loss (Budget)

See attached budget

2.10.3. Source of Finance

The development of the Grange Road property to be the responsibility of the Shire of Nannup.

Ongoing running costs of the centre will be the responsibility of the YMCA and income will be derived from child care fees with a small amount of commonwealth government funding.

2.11. Action Plan

Seek Commitment from Shire to provide money for renovation Seek permission from the Shire to lease Grange Road Develop building plan with shire and NOCCA

Notice of Motion 1

MELLEMA/DEAN

"the Shire of Nannup commence an investigation for the provision of a "purposebuilt" Community Resource Centre facility to house the Telecentre that will cater for their current and anticipated needs for the short to medium term in the future in addition to providing for future extensions for other community purposes.

As part of the investigation, Council will undertake the following:

- Identification of possible suitable sites
- Independent preparation of a needs analysis
- Independent preparation of a feasibility study
- Preparation of concept plans and indicative costing
- Extensive community consultation to gauge the level of community support for a Community Resource Centre against other proposed major infrastructure projects (estimated costs of each project to be detailed and how each project is to be funded included in, the survey)
- o If the Community Resource Centre attains the highest priority, a quantity surveyor's report on the proposed concept plans to be prepared
- Funding sources to be identified and finalised
- Tenders called for architects
- Tenders or quotes for project management"

Officer Comment:

It is recommended that the Nannup Telecentre be contacted for comment prior to Council's consideration of the motion. If Council was to resolve to proceed as per the notice of motion an appropriate budget allocation would need to be made.

The motion to lie on the table pending input from the Telecentre Management Committee.

Notice of Motion 2

GILBERT/DEAN

"That the Shire seek from the relevant funding bodies what prejudicial action will be undertaken against the Shire in any properly submitted funding application as a result of the termination of the TimeWood project."

LOST 0/8

Reasons: Whilst I do not believe that any prejudice will be applied to a properly documented application, the supporting comments of the CEO to agenda item 10.5 of the Council meeting of 26 November 2009 and the comments of Ms L Stokes to the electors meeting of December 2009 have created a contrary perception in part of the community. One way or another this perception should be corrected.

Officer Comment:

Initially as CEO I state that the comments made in agenda item 10.5 of the Council meeting of 26 November 2009 were general in nature, not definitive. I stand by those comments. Likewise Council's Community Development Officer stands by the comments made at the Elector's meeting.
